

Her Majesty's Platinum Jubilee

To be celebrated on **Friday 17th June 2022**

OBON wants to encourage all the schools in the UK to promote OBON DAY 2022 celebrating Her Majesty Queen Elizabeth's Platinum Jubilee and recognising her invaluable leadership and service to the nation.

OBON DAY is an annual event which gives every school an opportunity to be at the heart of their community, showcasing and celebrating all the good work they have done championing the shared values of British Citizenship.

The day promotes civic pride and every child knowing that they matter and encouraged to be responsible and active citizens with a role to play in the life of our nation. They learn the importance of what it is to be fair, decent, respectful, tolerant and compassionate.

Oneness and togetherness are at the very heart of the day, where the spirit of inclusion and love for our country makes every child feel safe, loved, happy and valued and a collective purpose of eliminating hate, intolerance and discrimination of all kinds and promoting peaceful and respectful coexistence of all our people.
